

C4 A8

Motion

Y-FED 2024

Proposer: Committee - Social policy

Title: **C4 A8: Government's proposal for Regulation 2024/XX/EF laying down the general framework addressing the macroeconomic and financial situation in Italy and the Federation**

Insert from line 91 to 92:

to the NUTS 2-lead project in the following month, and eventually be spent in less than 5 months after the economic backlash.

Article 8.bis: Independent committee The committee will exclusively:

1. independently and objectively follow the redistribution of the money from the federal government to the competent authority pursuing the established plan.
2. work with the competent authorities, these being either the member states, and regional and local governments taking into consideration competences of each authority related to the economic or social blast, and the goals of each specific plans.
3. ensure that the needs of small and big private enterprises are taken into account by catering to the specific needs related to their legal and economic capacities.
3. consider the particularities of each member state when facing the crisis that results in the activation of the specific plan.
